

## Medical Equipment Loan Program

At John Muir Health, we believe in being there for you in times of need and we're here to help you to achieve your health goals, whatever they may be.

The Medical Equipment Loan Program lends medical equipment to patients and community residents for up to 90 days free of charge. The program is intended to bridge the gap between eligibility and delivery of equipment through insurance coverage. It can also facilitate short-term use by individuals who lack the means to pay for equipment.

Equipment for loan includes:

- Wheelchairs
- Bedside commodes
- Transfer benches
- Bath benches and chairs
- Canes, walkers, and walker accessories

The Medical Equipment Loan Program accepts donations of used equipment that is clean and in safe working order.

Equipment we are unable to take can be donated to the following community programs:

- Disabled Dealer of California, (800) 588-5099
- Home Care Recyclers in Oakland, (510) 251-2273
- Volunteers for Inter-American Development Association (VIDA), (510) 655-8432

Volunteer Services at John Muir Health Outpatient Center, Tice Valley/Rossmoor operates the program, which is part of the John Muir Health Foundation, a nonprofit public benefit corporation exempt from taxes under Section 501 (c)(3) of the Internal Revenue Service Code. Donations are tax-deductible subject to any limitations that might otherwise apply.

For more information about the Medical Equipment Loan Program, call (925) 939-1220 and ask for the volunteer desk.
